

Safe at Work Breakfast Series

SERVING UP SAFETY

Our Safe at Work Breakfast Series brings nationally recognized speakers to share inspirational true stories, leadership support, methods for transforming safety cultures, advice on avoiding/de-escalating confrontations, regulatory training, and more. The programs are intended for anyone working in the safety, human resource, and health field. Participants leave with knowledge to make their jobs easier and workplaces safer. This event is a great opportunity to network with other safety and HR professionals from various industries while enjoying a delicious hot breakfast.
